Under rule 4 of the Orders of the Bangalore C. & M.
Station Police Force, the Commissioner of Police is
competent to appoint such persons as he thinks fit to be
members of the Force up to the limit of the sanctioned
cadre. The present case is submitted to the Hon'ble the
Resident for the following reasons:-

- (1) It is proposed to enlist the present candidate
as a supernumerary Sub Inspector (i.e in addition
to the sanctioned cadre) with a view to fill in
the prospective vacancy on the retirement of
Sub Inspector Abdul Karim on 27-7-33, and
- (2) The proposed candidate is overage and his
admission into Government Service requires the
sanction of the Hon'ble the Resident.

2

Del. (5)

The reasons for entertaining Sub Inspectors in
advance to fill in prospective vacancies, ^{were} ~~was~~ given in
paragraphs 4, 6 and 7 of S.N. 1. ^{The} ~~This~~ reason in the main is
that it will take two years for the newly selected Sub
Inspectors to get trained before appointment to the rank
and it is therefore necessary to consider the requirements
two years in advance, as otherwise the Force will become
seriously depleted in the rank of Sub Inspectors on the
retirement

retirement of permanent incumbents.

3

In the present case, the Sub Inspector is due to retire on 27-7-33. We are now in February 1933. The principle of selecting a substitute two years in advance is not followed in this case. Probably it is not intended to give the present candidate the regular training as he appears to be a tried out Police Officer. If he is now appointed, he will have training for five months before he is actually absorbed in the regular Force. Probably the idea is to appoint him as a confidential assistant in place of Mr. Vinayagam.

4

The candidate is a pensioner and is 37½ years of age. If he is to be confirmed in the Force, he will have to be exempted from the operation of age rule which limits the age of entry into Govt. service at 25 years.

5

The points for orders are:-

- (1) Whether the proposal to appoint Mr. Robertson may be accepted.
- (2) If so, whether he should be appointed immediately as a supernumerary Sub Inspector or whether he should be appointed only on the retirement of of Sub Inspector Abdul Karim on 27-7-33.

6

The question of exemption from age limit will arise

only

S.N. 3

Letter No. 446/A/33, dated the 6th March 1933, from
Commr. of Police.

10

The P.U.C. contains the following requests:-

- (1) Sanction to the entertainment of Mr. Robertson as a supernumerary Sub-Inspector from the 24th Feby. 1933 instead of from 1st ^{March} 1933, the date of the order at S.N. ~~37~~ 2
- (2) Fixation of the initial pay of Mr. Robertson at Rs. 111 per mensem instead of Rs. 75, the minimum pay of the post of Sub-Inspector.

Request (1)

According to the order at S.N. ~~37~~ 2, Mr. Robertson's appointment as a supernumerary Sub-Inspector takes effect from the 1st ^{March} 1933, the date of order. But the Commr. of Police entertained Mr. Robertson in anticipation of sanction from the 24th Feby. 1933. It is not understood why the Commr. of Police did not inform the Resident that Mr. Robertson was being appointed in anticipation of sanction. If he had done so, we could have worded the sanctioning order accordingly. The appointment may now be sanctioned from the 24th Feby. 1933, in partial modification of S.N. ~~37~~ 2

Request (2)

The fixation of the initial pay of Mr. Robertson at Rs. 111 involves the grant to him of nine increments in advance. The Hon'ble the Resident is competent to sanction advance increments under Fundamental Rule 27.

Page 38 of
the Vol. put up

(P) (number) 13

The Commr. of Police says that, as Mr. Robertson has 18 years of service in the Glasgow Police, he cannot in fairness be forced to accept the initial pay of Rs. 75 which is granted to a recruit without any previous experience. A newly appointed Sub-Inspector ^{or} will of course

be under training for a minimum period of one year, during which period he will be entitled only to a pay of Rs. 50 under order 17 of the Station Police Orders. In the case of Mr. Robertson, the training is dispensed with in view of his past experience, a fact which entitles him to start on the minimum pay of the post, namely Rs. 75. As regards his service in the Glasgow Police, Mr. Robertson draws a pension of about Rs. 80 - vide S.N. 36. It may be noted that, in his application at S.N. 36/A, Mr. Robertson did not ask for special treatment in regard to his starting pay, if he should be appointed to the post. It is therefore for consideration whether any special treatment is called for in this case, especially as Mr. Robertson is only just starting service under this administration. If the Commr. had it in view to start Mr. Robertson on higher pay, it was for the Commr. to have mentioned it when he recommended his ^(Robertson's) appointment to the Resident. The Hon'ble the Resident would then have had an opportunity of considering this point also, when he accorded his sanction to the proposal in S.N. 36.

cases are as follows:-

- Europeans and Anglo Indians
- (1) Advance increments to graduate clerks when commencing service.

It was a practice in this office to start graduate clerks on Rs.44/- in the scale of Rs.35-3-80-4-100. Messrs. Z.A.Sheriff, Kora Chandy and S.A.Amaladas of this office were thus entertained on Rs.44/-. This practice has since been discontinued as there is no lack of suitable graduate candidates now for clerical appointments. The Government of India have also decided that, in supersession of all previous orders on the subject, the special treatment of university graduates, Europeans and Anglo-Indians being granted initially rates of pay higher than the prescribed minima, should be discontinued.

- (2) Advance increments to officials already in service in virtue of good work and the special nature of work.

Under Fundamental Rule 27, the Hon'ble the Resident has granted from time to time advance increments to subordinates under him for good and meritorious work and also on account of special responsibility falling on them in virtue of their appointments. One such precedent is put up.

- (3) Grant of advance increments to certain police officials with a view to give them immediate benefit of the revision of pay of Police Force.

In 1930 the Government of India sanctioned the revision of pay of Police Force in the Civil & Military Station. The personnel of the Force were under the impression that in the revised

scale of pay they would get as initial pay the stage of the time scale next above their original substantive pay in accordance with the old Rule 22 of the Fundamental Rules. But by the time the sanction of the Government of India was received, Fundamental Rule 22 was revised, and, under this new rule, no member of the Force was eligible for any increase of pay. Therefore, a special case was made out to the Government of India for granting the officials thus affected certain increments in advance. This was sanctioned by the Government of India.

- (4) Appointment of an European Ex. Sergeant of Madras Police as a Sub Inspector in charge of the Reserve Police on Rs.75/- and the subsequent alteration of the appointment/^{to} that of a sergeant on a pay of Rs.125/- per mensem (excluding allowance).

When the question of appointment ^{of} a European Sergeant to be in charge of the Reserve Police was under consideration, the then officer in charge of it, namely, a Sub Inspector on Rs.75/-, suddenly died and an Ex-Sergeant of Madras Police was appointed in his place on the pay of the Sub-Inspector. Subsequently the Government of India sanctioned the appointment of a Sergeant on Rs.125/- (excluding allowance) and the ex-Sergeant was accordingly drafted on to the new appointment on the new scale of pay from the date of appointment.

17
It seems, none of the precedents quoted above will apply to the case of Mr. Robertson, the case under consideration. It will not come under (1) as the system has been

discontinued. (2) applies only to the cases of those who are already in service and does not refer to starting ^{of new entrants.} pay. (3) is special. In the case of (4) ^{the post} an appointment of a sergeant on a higher scale of pay was created.

P.U.C.

Letter No.1222/A/33, dated the 15th August 1933,
from the Commissioner of Police, C & M Station, B'lore.

Paragraph 19 of the Orders of the Bangalore Civil
and Military Station Police Force lays down as follows:

"19. European and Anglo-Indian Sub-

"Inspectors must pass the third class test in

"either Tamil or Hindustani before being con-

"firmed and within two years of appointment.

"They will be granted a reward of Rs.240/- if

"they pass in one year."

Vernacular examination for European and Eurasian
members of the Police Force was originally prescribed
in the Resident's Proceedings No.5533, dated the 28th
September 1906 which laid down that no European or
Eurasian who did not possess a colloquial knowledge
of Tamil or Kanarese would be admitted into the Police
Force except on probation, his confirmation being
conditional on his passing an examination in Tamil or
Kanarese within a prescribed period. It was subse-
quently arranged that the system adopted in the
Madras Presidency for the examination should be
followed in the Station provided that the tests to be
passed shall be in Tamil, Telugu or Hindustani. It
would appear therefore that no vernacular examination

possesses a colloquial knowledge of the subjects.

24
Mr. Robertson was appointed in the Station
Police Force as a supernumerary Sub Inspector with
effect from the 24th February 1933. One of the quali-
fications mentioned in his application for the appoint-
ment was that he spoke Hindustani fluently. It is also
indicated in one of the testimonials enclosed with his
application that Mr. Robertson had shown himself to have
an adequate knowledge of Hindustani. In the circum-
stances it seems hardly necessary to insist on the
vernacular examination prescribed by Police Order 19
in the case of Mr. Robertson. If, however, he is
required to pass the examination and he passes the
same within one year of his appointment, he has to be
granted a reward of Rs.240/-

25
It is for consideration whether the Commissioner
of Police may be informed that, as Mr. Robertson is
reported to have had an adequate knowledge of Hindus-
tani before his appointment in the Station Police Force
the Hon'ble the Resident is pleased to exempt him from

passing

passing the test prescribed by Police Order 19.

The Police Orders supersede all the previous orders. But these orders are issued by the Hon'ble the Resident and he is competent to grant exemption from the operation of any of these orders. In the present case, the fact remains that Mr. Robertson has already a knowledge of Hindustani and it seems hardly necessary that he should be required to pass a test in that Vernacular, the effect of which will be an unnecessary expenditure to Government. It is only reasonable that Mr. Robertson be exempted from passing the test.

The Financial Adviser, Bangalore, U.O.

2nd January 1934

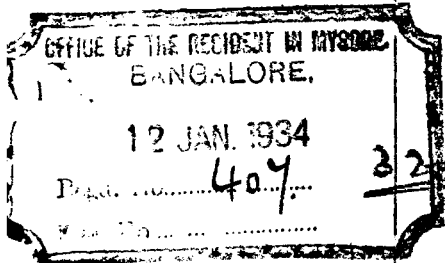

Police order 19 ^{states} ~~requires~~ that European and Anglo Indian Sub-Inspectors must pass the Third class test in either Tamil or Hindustani within two years of appointment before being confirmed, and that if they pass within one year, they will be granted a reward of Rs. 240/-.

As the rule stands, it seems that Mr. Robertson should pass the test before he can be confirmed, and that he is entitled to a reward of Rs. 240/-, if he passes within one year of appointment.

As however the police orders derive their authority from the Resident, it is open to him to dispense with the examination in any particular case if he is satisfied that the test is unnecessary.

The whole point here is that Sub Inspector Robertson had a reasonable knowledge of Hindustani before he was appointed to his present post and it is suggested in the office noting that there is therefore no need for him to pass the examination as it would be added expenditure to Government. I do not know why Sub Inspector Robertson should be so penalised; He has had to acquire a foreign language probably at some expenditure to himself and I do not see why he should not be allowed to take an examination for a reward under the orders now in force. The request for the appointment of a Board to examine Sub Inspector Robinson may be granted.

Under the 2nd sentence of Police Order 19, Mr. Robertson would have been entitled to the reward of Rs. 240 as a matter of course had he passed the test within one year of his appointment. He was appointed with effect from the 24th Feby. 1933 and the one year expired on the 23rd Feby. 1934. He passed the test only on the 8th March 1934 and hence the orders of the Resident are sought for the grant of the reward. The Police Orders derive their authority from the Hon'ble the Resident; it is open to him to relax any rule in any particular case. The reward may therefore be sanctioned. I have known him for the past eight years and have been in close touch with much of his work. He is a capable and attentive Officer, courteous and anxious I have had particular opportunity of meeting him in connection with his duties as an interpreter in connection with Indian Cases. I have, on many instances, taken advantage of his knowledge in the precognosing and preparing of cases with Indian Witnesses and have also had many opportunities of utilising his services as Interpreter to the Court.

On all these occasions he has shown himself to have an adequate knowledge of Hindustani, to be an anxious and fair Interpreter and to be a man possessed of much capacity for the placing of such evidence before a Court.

His training with the Police has been on the main, on the administrative side, and from my observation, he has certainly impressed me as being an officer who could well undertake administrative work,
